Bastien & Bastienne is a one act comedy in which two lovers tease and test their feelings for each other with The Impresario finding two ambitious actresses battling it out to be the prima donna. Both will have an additional comic and local twist, and will appeal to all without reservation.

A guaranteed standing ovation!

POPUPOP OPERA

is an innovative touring opera company with unbridled enthusiasm and commitment to broaden the appeal of opera and to challenge the way that it is performed, by taking it to unusual spaces and making it an intimate and engaging experience for even the most hesitant to dip their toes into the opera water.
